

Baron de Coubertin,

Dear Sir,

Your letter of June 15th has been duly received. I had already been informed by the French Ambassador Mons. Gérard that the Comité International Olympique has requested H. E. to nominate a gentleman of Japan interested in the work and object of the above society, as a member for Japan, and it is with genuine pleasure that I received your communication of my having been unanimously elected a member at the meeting of your committee held in Berlin May last.

As to the possibility of my been present at the next meeting to be held next year in Budapest, I cannot say anything definitely about it at present, but I will try to attend the meeting of the Vth Olympiad in 1912 at Stockholm, if circumstances allow me to do so.

The "Revue Olympique" as well as your recently published book "Une Campagne de vingt-et-un ans" I have duly received for which publications please to accept my most cordial thanks.

I have also forwarded my annual subscription (25 francs) to the Treasurer, Baron Godefroid de Blonay.

Thanking you once more for your cordial letter, I remain, my dear sir and colleague,

Yours sincerely,

Jigoro Kano
